OBJECTIVES:

General objective of **READY WOMEN** project is to offer new opportunities and innovative instruments to adult women with disabilities for improving their qualifications and thus their levels of employability and integration into the labour market, mainly through training actions aimed to the New Yields of Employment (NYE) and emerging sectors.

Specific Objectives:

- ☆ Increase the **self-confidence** of women with disabilities in an individual and collective way.
- ☆ Identify the existing **relations** between **women with disabilities** and **employment opportunities** and the NYE and the **emerging sectors** in The EU.
- ☆ Detect the **best practices** in employment inclusion of women with physical disabilities related with NYE in The EU.
- ☆ Emphasize the importance of **training and improve physical disabled women' skills**; keeping in mind that this must be a process of empowerment that will allow women to get the abilities **to access to employment**, and to take advantage from the ICTs.
- ☆ Create a **virtual collaborative network** of women with physical disabilities from EU's partners areas dealing with NYE and emerging sectors, with the aim of exchanging of experiences and expertise.
- ☆ Implement a **training course** aimed to develop basic & professional competences and soft skills for women with physical disabilities.

Our RESULTS:

- ☆ **Qualitative study** on relations between disabled women (mainly physical, organic and sensory disabilities) and employment opportunities on the NYE and the emerging sectors in each of the European regions covered by the Project.
- ☆ Design of **contents** for implementation of a transnational training course aimed to staff partners on how to teach and **train on basic & professional competences and soft skills for women with disabilities.**
- ☆ Development of educational content and subsequent implementation of a **specific training course** in basic & professional competences and soft skills aimed to facilitate the access to employment in NYE for disabled women, as well as training the use of ITCs.
- ☆ Development of **Virtual Community of European women with disabilities** and training for employment in NYE, putting them in contact each other and with other disabled women already employed, in order to share experiences, knowledge, training, etc.
- ☆ Pilot implementation of **accompanying process to access to employment** for participant disabled women

- ☆ **TRAINING** of 20 adult education professionals will be celebrate in Turin (Italy) of fine tuning of educational contents for capacitation of 150 women with physical or sensory disabilities.
- ☆ **NATIONAL MULTIPLIER EVENTS** and Final conference will be promoted in all partners' countries
- ☆ **VIRTUAL COMMUNITY** of European women with disabilities will be launched through an interactive platform
- ☆ The Project is implemented in **Spain, Portugal, Bulgaria, Italy, Turkey, Greece and Latvia.**
